Summary

A soon-to-be graduate with internship experience at FPT Software, I have worked on multiple university projects, applying modern web technologies to build interactive applications. I am eager to learn, adaptable, and always exploring new technologies. With a strong learning spirit and problem-solving mindset, I am ready to contribute and grow in a professional environment.

Education

FPT University - HCM Campus   Expected April 2025
Bachelor of Software Engineer - Major in Information Technology
Cummulative GPA : 3.08 / 4.0
